

**Facing reality and hearing God's voice.**

With reality do we see! Do we see what God sees and is THAT our REALITY! Do we look with God's eyes through His Spirit, or with our human eyes!

**Romans 12:1-2** Paul urges us to give our lives as a living sacrifice (a Sacrificial life) by giving ourselves in total to God. That is our reasonable gospel. That is the starting point in God's kingdom!

Then we must see God's REALITY through changing our minds that we can see God's WILL.

Why do we not see the corporate body of Christ in motion! We do not see what God sees, and He will change that so that His reality will become our reality.

Abraham was a man on this earth just as I am. He had an intimate relationship with God, where God spoke to him HIS REALITY. God said to him that he will have a son through whom God will bless the nation of this earth. Abraham thought he saw what God saw, but as the time went by, he doubts what he heard from God. He created a son, but it was not the one God saw. Abraham struggled to see God's REALITY. But it did not change God's REALITY for Abraham. God's plan is still his plan.

When Abraham's reality change to God's REALITY, he was prepared to offer Isaac. Abraham learned the hard way to see God's REALITY and that changed his total life. He gave his life and gave it as a living sacrifice unto God. He renewed his mind to be able to understand God's plan for his life.

**Romans 4:18-22.** Abraham teaches us how to see God's dream for his life.

Africa is the breadbasket of the world; can we see it and believe it. Africa is the place to be in a time like this. God has a dream a vision for us here in South Africa, can we see it and believe it. Can we live it daily in obedience and change our live style and focus so that we can show the world God's REALITY.

I was a very spiritual human being my whole life and I thought that was God's REALITY, to be a moral sound human being. To live a clean life so that I can go to heaven one day. The Holy Spirit said to me that I was so spiritual and heavenly minded, that He could not use me on earth for His REALITY. That is to change the earth back to His original intent and plan for Planet earth. **Col 1:20.** (TPT) And by the blood of his cross, everything in heaven and earth is brought back to himself—back to its original intent, restored to innocence again!

God's REALITY for the earth started from the beginning, and the human beings had an influence on it every day. God our Father send us His Son to come and show us His REALITY. He intended it for Jesus to show us that God is a REALITY and to implement His Kingdom on earth as it is in heaven. Through the cross and Jesus' blood, He reconciled us to Him. He reconnected the unseen REALITY with the reality that we can see. Through His blood He brought everything back to Him, so that we now can live "IN CHRIST" and we are the hope for the world IN CHRIST. Jesus Christ gave us now in 2022 the ability to HOST the Holy Spirit in us that will make it possible for us to change the earth BACK TO GOD'S ORIGINAL INTENT, BACK TO INNOCENCE AGAIN!!

He asked me to listen to His voice daily and He will show me His REALITY. I MUST FOLLOW Him in every aspect of my live, LIVING A SACRIFUCIAL LIFE DAILY, and he will guide me to His REALITY.

Do we see South Africa according to our visual eye or through God's eyes? **2 Cor 3:18**. We do not act on what we see with our eyes, but trough what we see with our Spiritual eyes. That is God's reality and must be ours as well.

Do we see South Africa as the worst country with the potholes, infrastructure and electricity failures or do we see what God sees? The country in the new season to be the answer to the world through His obedient Ecclesia. The Touching Africa family ready to do what is needed to be done. Do we see the difference between what the world sees and what God sees. We need to change, to be able to see what God see and give our lives for Him so that He can use us for His purpose and plan.

Having an intimate relationship with Him through His Spirit!

I was spending some time with the Lord in 2003 on a mountain, and the Holy Spirit said to me that He want to show me what He sees for South Africa and the world. God did not lose the battle and His plan for the world when Adam and Eve did not see what God saw from the beginning. He prepared His Son to die on the cross and pay the price for us to be able to see what His intention for the world from the beginning was. Jesus died on the cross so that God the Father can send us His Holy Spirit that will make it possible for us to see what He sees. He wants to show us His REALITY, by hearing His VOICE and following Him unconditionally.

We will rule and rein over this earth of my Father as sons of the living God. Do you see it and believe it? Live according to what you see.

**John 16:33** And everything I have taught you is so that the peace which is in me will be in you and will give you great confidence as you rest in me. For in this unbelieving world, you will experience trouble and sorrows, but you must be courageous, for I have conquered the world!"

Do we really believe it and act as we do believe it - God overcame this world!

We are the solution through Christ in us to the world!

God gave us a scripture for this conference:

**1 Cor 2:8-9.** This is why the Scriptures say: Things never discovered or heard of before, things beyond our ability to imagine — these are the many things God has in store for all his lovers. But God now unveils these profound realities to us by the Spirit. Yes, he has revealed to us his inmost heart and deepest mysteries through the Holy Spirit, who constantly explores all things.

Do we see it or not? God prepared for us what the world cannot see. We must see it and sacrificially give our lives to the Lord that it can happen in our generation. That what no eye have seen He prepared and showed it to us through His Spirit. A South Africa for all its people, living in harmony and in unity, working together in His kingdom for His glory and honor.

God said in Isaiah 55 that He does not talk like us, think like us, and live like us. He lives according to the Spirit and not the flesh. God is Spirit and those that want to live with Him must live according to the Spirit and in truth. **John 4:23.**

Can we see that the current state of the world is not as it is in heaven. God wants to use me and you to take the earth and the world, back to the original intent and plan, back to innocence again!

God showed me a part of His heart, His vision, and His dream for the earth in 2003. God will establish His KINGDOM and His WILL on this earth as it is in heaven.

He will use a bunch of ordinary farmers in Ficksburg that will create a new system, His kingdom system that will show the world His heart and INTENT for the earth. A KINGDOM system where people will love God with everything in them and they will love people as they love themselves. A System where people stand before things and money, where God and people are more important than things and my own kingdom.

I believe that revival is very near to us. It will happen the day that businessmen and women realize their part in the kingdom of God. When we start building His kingdom and not our own. South Africa will be the first country that will honor God in such a way that God can build His kingdom and His Will here in South Africa as it is in heaven.

We as the corporate body of Christ is the answer and the hope for the nations, do we see it and believe it.

God will do it through us if we listen to the Holy Spirit and obey Him.

The kingdom of God is the other way around than the world system we know today. It is upside down.

**Philippians 1:21(New International Version)**

21 For to me, to live is Christ and to die is gain.

The world lives to gain and then they die to go to heaven. Paul taught us that God's kingdom is the other way around. To live is CHRIST/TO DIE IN HIM, and to die is to LIVE. Exactly the other way around.

The next scripture teaches us His way of thinking and living:

**1 John 3:16 (New International Version)**

16 This is how we know what love is: Jesus Christ laid down his life for us. And we ought to lay down our lives for our brothers and sisters.

We must DIE to be able to LIVE. We all want to follow Christ up till this point. We also must DIE to LIVE. We must change our thoughts and lives to that what God intended for us before time.

Make it your ultimate goal to see God's reality and to think what God thinks through His Spirit in us!

We cannot accept the current situation around us as God's norm and reality. He will show us His heart and his plan, His reality when we hear His voice everyday through an intimate relationship!

God will build His reality through us here in South Africa – a TOUCHING AFRICA FAMILY!
